

A young couple is seated on a bus, both wearing black face masks. The woman, on the left, is looking at her yellow smartphone. The man, on the right, is looking at his black smartphone. They are both wearing denim jackets. The woman has long brown hair tied back, and the man has curly brown hair. They are sitting next to each other, with an orange handrail in front of them. The background shows the interior of the bus with windows and other passengers. Overlaid on the left side of the image is the text "RIDE ON WESTERN HS" in a bold, stylized font. "RIDE" is in dark blue, "ON" is in pink with a white play button icon inside the "O", and "WESTERN HS" is in pink. A small sign on the bus seat reads "PRIORITY SEATS FOR DISABLED PERSONS".

PUBLIC TRANSIT FOR STUDENTS

The Regional Transportation Commission of Southern Nevada (RTC) is partnering with CCSD to help students get to and from school using public transit.

For more information about the RTC's Ride On program, and to find the closest route to you, visit the RTC's website at **www.rtcsonv.com/RideOn**. To verify your eligibility and enroll in the program, use the QR code below.
