Re: RTC Transportation Service

Dear Parent/Guardian,

The Clark County School District (CCSD) Transportation Department is excited to continue its partnership with the Regional Transportation Commission of Southern Nevada (RTC) for the 2026-2027 school year. Through this partnership, eligible high school students residing within designated RTC service areas will be assigned RTC transportation services to and from school. This program provides students with a more independent, reliable, and flexible transportation experience.

Beginning **Monday, August 10, 2026**, students assigned to RTC transportation services will not be assigned to a CCSD yellow school bus route. Parents and students are invited to attend a virtual informational meeting to learn more about the RTC transportation process, registration requirements, and accessing RTC passes.

Virtual Meeting Dates:

Monday, August 3, 2026, at 6:30 PM

Tuesday, August 4, 2026, at 8:00 AM

The link for the virtual meetings can be found at <https://transportation.ccsd.net/ride-on/>

To utilize RTC transportation services beginning the first day of school, students must complete the following steps:

1. Complete the Registration Form

Students must complete the RTC Registration Form using their CCSD-issued Gmail account. Notification of eligibility will be sent directly to the student's Gmail account.

Registration Form: (<https://forms.gle/2HQUc9V6XjBf7qcB6>)

The registration form is also available at <https://transportation.ccsd.net/ride-on/>

2. Download the rideRTC App

Students must download the free rideRTC app on their mobile device from the Apple App Store, Google Play Store, or visit: <https://www.rtcnv.com/ridertc/>

3. Create or Access a rideRTC Account

Students must create or access a rideRTC account using their CCSD-issued Gmail address. If creating a new account, student will receive an email to verify their account. Students must complete their verification process before receiving their pass.

4. Receive and Access the RTC Pass

Once steps 1-3 are complete, CCSD Transportation will issue an electronic 30-day RTC pass. A new 30-day pass will be issued every 30 calendar days from the date of the issuance through the end of the 2026-2027 school year, provided the student remains RTC eligible. Students can access their pass by selecting **"My Passes"** within the ride RTC app.

5. Activate the Pass Before Boarding

Students must activate their pass before boarding the bus. Electronic passes are available through the rideRTC app.

Students who do not have access to a mobile device may request a paper pass. Paper passes will be provided through the student's school.

For additional information, questions, or concerns, please visit <https://transportation.ccsd.net/ride-on/> or contact the CCSD Transportation Department at (702) 799-8100 or transportation@nv.ccsd.net.
